**LIFTFUND AND METAFUND PARTNER TO BOLSTER OPPORTUNITIES FOR
SMALL BUSINESS ENTREPRENEURS IN SAN ANTONIO**

SAN ANTONIO – LiftFund, the nation’s largest nonprofit small business lender, and MetaFund, a nonprofit, socially responsible private equity firm, have formed a partnership to offer qualifying small business owners loans up to \$1 million.

“We are excited about our partnership that will allow us to leverage our resources and provide loans beyond our current maximum loan size of \$500,000. For the first time, we will be able to offer loans up to \$1 million,” said Janie Barrera, President and CEO of LiftFund. “Both organizations have a commitment to social responsibility, and this synergy makes this collaboration beneficial to the many communities we serve and the entrepreneurs that bolster their economies.”

Tom Loy, Chairman and CEO of MetaFund, added, “After working for more than a year on the structural and operational details of this partnership, Janie and I are excited to see it up and running. It provides us with the opportunity to integrate LiftFund’s broad small business lending expertise with MetaFund’s impact investment, venture capital, and private equity structures.”
