FOR THE NORTH TEXAS REGION**

DALLAS– LiftFund recently named Nikki M. Miller as the Vice President of Advancement for the North Texas region. With over 15 years of experience in nonprofit management and fundraising, Nikki will create and lead strategic fundraising efforts to increase support from individuals, corporations, and foundations.

Since opening in 1999, the LiftFund North Texas office has deployed over \$30 million in loans to the local community. “LiftFund has experienced significant growth in North Texas over the last few years and expanding its philanthropic relationships is critical to funding the needs of our clients in North Texas,” said LiftFund President and CEO Janie Barrera.

Nikki most recently served as the Major Gifts Officer for the Catholic Diocese of Dallas where she helped develop and implement a comprehensive plan for major gifts on their \$125 million capital campaign. In addition, she managed grant solicitations for foundation and corporate giving. Before moving to the capital campaign, she was the Development Director for Our Lady of Perpetual Help Catholic School where she led a team in securing a grant from Crystal Charity Ball for over \$1,000,000.

Prior to joining the nonprofit industry, Nikki worked in technology sales with companies providing IBM, Oracle/Sun and Microsoft solutions to small and midmarket companies.

Nikki is a graduate of the University of Arkansas at Little Rock with a Bachelor of Arts in Psychology. She is a member of the Association of Fundraising Professionals and served on the Board of Directors for Bea’s Kids, a local nonprofit serving children from low income families. She is also a graduate of a nine month leadership program for women executives and business owners.
